MEMORANDUM FOR: Special Assistant to the Deputy Director
(Administration)

25X1A

SUBJECT : Proposed Regulation [REDACTED] CARE AND USE OF
OFFICIAL DATA

25X1A

1. Attached hereto find concurrence sheet for proposed Regulation No. [REDACTED]

2. This Office has no legal objection as to the form of the proposed Regulation, with the following exception:

Paragraph 2a should be changed to read as follows:
"Official data and information will be restricted in use to the performance of CIA official business only, and will not be copied or removed from the files or from the premises of CIA, or released except as provided in subparagraph c below."

The change made in paragraph 2a is solely in the interest of clarity, since the clause "... except for the foregoing purposes" can be easily misconstrued as to what purpose is meant.

3. It is felt that the statutory requirements can be condensed to the mere citation of the applicable sections of Title 18 and Title 50 of the U. S. Code, rather than citing the sections verbatim. Inasmuch as it is going to be the responsibility of the Personnel Office to insure that all new personnel coming on board and all those being separated from the Agency read these sections, mimeographed copies could be provided to the Personnel Office for such a purpose.
